

Water Discharge to Land Monitoring - Special Irrigation Areas Monitoring - August 2019

Licensee: Laing O'Rourke Australia Construction Pty Ltd

Premises: Woolgoolga to Ballina Pacific Highway Upgrade Project, Harwood NSW 2465

Licence No: 20713

Monitoring Location: POINT 7 - Utilisation of any special irrigation area is permitted only with the written agreement of the EPA. An irrigation plan supported by an appropriately qualified and experienced ecologist must be prepared. The irrigation plan must address discharge water quality, soil characteristics, impact to flora, impact to fauna, hydrology and monitoring of performance.
