Thank you for providing the following documents for Environmental Representative (ER) review and endorsement as required by the Condition of Approval (CoA) C7 of the Sydney Metro City & Southwest project (SSI – 15\_7400 January 9 2017).

**CEMP (CoA C1)**

- Construction Environmental Management Plan (CEMP) - Sydney Metro City and Southwest Sydney Yard Access Bridge Revision 02 dated 18 April 2017.

**Sub-plans (CoA C3):**

- Construction Heritage Management Plan Revision 3 dated 13 April 2017; and
- Construction Traffic Management Plan Revision 3 dated 20 April 2017.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comments on these documents and consider the referenced versions appropriate for endorsement for DPE review and approval as the Construction Environmental Management Plan and sub-plans for the construction works to be conducted by Laing O' Rourke for the Sydney Metro City & Southwest – SYAB project.

Yours sincerely
