Dear Stuart

RE: Sydney Yard Access Bridge Construction Noise and Vibration Management Plan (CNVMP) Revision 8 - Approval of Minor Amendments

Thank you for providing the following document for Environmental Representative (ER) review and approval of minor amendments as required by the Condition of Approval (CoA) C8 of the Sydney Metro City & Southwest project (SSI – 15_7400 January 9, 2017).

CEMP Subplan- Condition of Approval C3:

- Construction Noise and Vibration Management Plan (CNVMP) Revision 8

With reference to the Acoustic Advisor (endorsement letter dated 29 March 2018), and as an approved ER for the Sydney Metro City & Southwest Sydney Yard Access Bridge project, I have reviewed, provided comments and I approved the minor amendments made on this document under the SSI-7400 CoA C8 requirement.

Please ensure that a final copy of this CNVMP is provided to DPE for information and made available at the site and uploaded on the project website.

Yours sincerely

Annabelle Tungol Reyes
Environmental Representative – SM C&SW – SYAB
